Article 9 & Appendix F

Revise section 9.5 as follows: "Special Education class size as follows: SDC 21 +3, TMH 12 +1, ED 13 +1, SDD 10 +1, DHH 13 +1, and Autism 8 +1. Overage Fee #1 and Overage Fee #2, as described in section 9.2, will be paid according to the terms of section 9.2, except that a 20% deduction for each instructional aide (including one-on-one aides) assigned to the special education class will be taken from the total to be paid with a maximum deduction of 50% of the payable overage compensation. Special education teachers who are eligible for caseload overages, per section 9.8.2, must choose to receive either the caseload overage or the class cap overage."

The parties agree to meet in the Fall of 2008 and discuss the DHH itinerant program and whether and to what extent, if any, the program should be added to Special Education class size and overage fees.
